DETAILED ACTION

Reissue Applications

The applicants are advised that oath/declaration must identify the foreign application, if any, on which foreign priority is being claimed by specifying the application number, country, day, month, and year of its filing as required by 37CFR1.63(c). If the original patent contains a claim for foreign priority, such claim must be repeated in the reissue application in order to retain priority to the earlier effective filing date. MPEP 1417.

The oath/declaration must state that "all errors being corrected in the reissue application up to the time of the filing of the oath/declaration arose without any deceptive intention on the part of the applicant (37CFR1.175(a)(2)).

All oaths/declarations in a broadening reissue must be signed by all of the inventors. MPEP 1410.01.

Claims 1 - 20 and 24, 25 are rejected as being based upon a defective reissue oath/declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath/declaration is set forth in the discussion above in this Office action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mr. Ronald C. Capossela whose telephone number is (703) 308-0688.
